Dear Parents/Caregivers,

VALUES

Have you seen our new Values pencil bollards near the Forrester road entrance to school? We are very excited with how good they look and the focal point they now provide for students in the yard. We have already had a lot of positive comments from parents and visitors. We hope the bollards will help everyone from students to staff to parents and visitors, remember what we value as really important and provides the basis for all the work we do in our school.

PARENT PARTNERSHIPS SURVEY

Thank you to the 36 families who responded to our survey. We have gathered a lot of good ideas as well as a varied registry of skills that can be called upon as we develop our programs. One of the ideas for school community development that was mentioned by many families was a Veggie Garden. Governing Council, School and OSHC Staff have all discussed this idea over many months. The Fundraising committee projects in 2011/2012 raised about $7200 towards the development of the garden that we plan to build in the space between the two COLAs. While we fully plan to develop the garden there have been delays to the project caused by drainage problems in that area. DECD is currently putting out tenders to have the drainage issues addressed. After this happens and a contractor is chosen the issues will be rectified and we will be able to look at proceeding with planning our veggie garden. We know that there are many families who are keen to get that project underway and we thank you for your enthusiasm and patience as we work through the issue with DECD.

As promised, the 36 surveys received were put into a raffle draw and I am pleased to announce that Jenny Brown parent of a child in 9E has won the $50 gift voucher.

WHAT IS HAPPENING WITH THE YELLOW PLAYGROUND?

As you know the yellow playground is currently closed due to safety concerns. The Governing Council has now approved the purchase of a rubberised surface to be laid around this playground in a similar style to the JP playground. I am required by DECD to gain 3 quotes from reputable companies before a final contract is signed and we are currently finalising our last of the 3 quotes. I hope that the decision will be able to be made shortly. I have been told that the
process once commenced, will take approximately 2 weeks, therefore the playground will probably remain out of bounds for the rest of the term. The bark that is being removed from the playground is going to be relocated to the blue playground next to the oval. Governing Council has also discussed long term planning to budget for rubberising the base of that playground as well. The cost for such an exercise, however, is significant, so the timeline for this to be done will not be able to be determined until at least next year.

**THE NEW WEBSITE UPDATE**
The photography for the new website will be undertaken on 3 different days, starting from this Friday. The photographer will be taking a number of photos of children and adults in and around the school that capture the essence and hopefully the ethos of the school. Students who will be featured in the photos will be chosen from the group for whom we have received written parental permission.

We are working very closely with the photographer, graphic and web designers and the plans are coming together very well at this point. The graphic designer is also redesigning our logo to go with the fresh, smart and up to date feel of the website. I will continue to keep you informed of the process as we go along.

**DON’T FORGET**

**CANTEEN**
Please help to support our canteen and consider allowing your child to buy recess and/or lunch options when you are able.

**VOLUNTEER TRAINING**
You can still book into training for the 13th and 17th June. Please return the booking slips to the front office as soon as possible.

**PUPIL FREE DAY IN TERM 3**
The Governing Council has endorsed Regional Office approval for a Pupil Free Day to be held on Monday July 22nd. This is the first day of Term 3. Teachers will be working together to participate in training around implementation of the Australian Curriculum. OSHC will be open for care. Please contact Lissy or Sally to book in.

A BIT FROM BEK

Dear Parents, Caregivers, Family and Friends!

“Today, more than ever before, life must be characterised by a sense of universal responsibility, not only nation to nation and human to human, but also human to other forms of life.”  
– Dalai Lama

We live as part of so many different communities – family, work, study, sporting, local, national and global. In each of these communities we have different levels of responsibility – responsibility to those around us, to ourselves, to our peers, our families and friends and even a responsibility to the environment.

As much as we wish it wasn’t, responsibility is inevitable. I think back to when I was a child, I couldn’t wait to be a ‘grown up’ and have the freedom that comes with being an adult. As I grew up I came to realise that the more freedoms I had the more responsibility I took on. I look at my life up to this point and see that I was always prepared for the next level of responsibility that awaited me. Whether it was my parents teaching me something, school, my peers, mentors, or even teaching myself, I was always ready for the next challenge or shift in weight of responsibility.

I hope that when you think about your responsibilities (as yucky as some are) this week, you smile to yourself and you’re proud of all the hard work you have put in to get to where you are today.

Take care! 😊
