Dear Parents/Caregivers,

PUPIL FREE DAY REMINDER

Don't forget that Monday 21st July, the first day of Term 3, is a Pupil Free Day. Staff will be undertaking training in Geography, one of the new Australian Curriculum areas. OSHC will be open for care for this day. Please contact Sally and Lissy to book in.

INTERNATIONAL MARKET CHARITIES DAY

It was a fantastic day last Thursday when the Year 7s led all students through a range of different fun activities to raise money for various charities. Year 7s worked in pairs to create, organise and resource a craft and sport activity to share with groups of students from each class throughout the day. They also created showbags that were filled with donations from several places that the students sourced. As you can appreciate a lot of work and preparation had to go into planning the full day's program. Students needed to show initiative, persistence, resourcefulness and teamwork in order to ensure that their chosen activities ran smoothly on the day. They all rose to the occasion to a high level and can be duly proud of their efforts in their provision of activities, with the ultimate goal of service to others. The Year 7s are certainly developing strong leadership skills and a special acknowledgement needs to be made of their lead teachers in this wonderful program: Chris Ross, Andrea Hayden and Jonathon Warren-White. Acknowledgement also needs to be made of those parents who through representation of

businesses, provided donations to support this program.

FAREWELL BEK O'NEILL

This week is Bek's final week as our CPSW. I would like to take this opportunity to thank Bek for her significant contribution to our school and wish her well for the future. At this stage Bek's replacement has not been finalised but we hope that there will be confirmation of a new CPSW for semester 2 by the start of Term 3.

There will be an assembly on Friday at 1:40pm and students will say farewell to Bek at that assembly.

STAFFING NEWS FOR TERM 3

Robyn Sumner will be on long service leave for the first 6 weeks and Jonathon Warren-White will be on special leave for the first 4 weeks of Term 3. Jonathon will be a member of one of 6 Ultimate sport teams representing Australia in an international competition in Italy which starts during the school holidays. Ultimate is a game of skill and speed and an exciting newer sport on the world stage. It is a team game played with a disc which looks like a modified frisbee. There are 7 players on a field similar in size to a soccer pitch at any one time and like soccer and hockey, the idea is for the team to move the disc down the field to score points for their side. We wish Jonathon and the Australian teams all the best for the competitions.

At this stage the replacements for Robyn and Jonathon are not known, but I hope that the affected classes will know by Friday who their teachers will be.

HIGHLIGHTS OF TERM 2

We have had another busy and successful term. A number of highlights aside from our routine programs have included:

- Continuation of whole school Values focus
- Continuation of the Year 7 School Leader Values, Resilience and Service to others programs
- LHK meetings and student decision making opportunities
- National Sorry Day, Reconciliation Week and NAIDOC Week activities
- International Market Charities Day
- Cyber Safety presentations
- Parent Reading forums
- SAPSASA Cross Country, Netball, Soccer
- Assemblies
- Disco
- Ongoing Literacy Coach programs in some classrooms
- Choir rehearsals and Assessment
- Safety Ambassador training
- Jump Rope program
- NAPLAN testing
- Ongoing participation by staff in Professional Learning Communities (PLCs)
- Staff training in aspects of the Australian Curriculum, General Capabilities, IT, Mathematics and work in the PLCs
- Staff continue inquiry work in the Re-Imagining Childhood project
- 4 Volunteer Training sessions

NAPLAN TRIAL TESTING

Our school has been selected for mandatory trialling of future NAPLAN testing materials. All students in Years 3, 5 and 7 will participate except for those who were exempted for the 2014 NAPLAN testing held in May. The date for the trial testing is Thursday July 31st. Please note that data is not collected nor a report provided to parents or the school. The aim of the testing is to provide feedback to the testing authority regarding the appropriateness of the testing materials.

UNIFORM

The pricelist and current uniform availability has been updated. The current details are available in electronic form via the website or in pamphlet form via the front office. (Please Note: This only includes current uniform and does not include ordering information for the new uniform to commence in 2015. That will be out later in the year.)

WRITTEN REPORTS

Written reports will be sent home with students today. Please do not hesitate to contact your child's class teacher to make a time for a discussion if you need clarification about anything in the report itself.

SCHOOL SECURITY IN THE HOLIDAYS

To help prevent vandalism and other crime in the school during the holidays, we seek your support to please report any suspicious behaviour you may observe in and around the school to Crime Stoppers on 1800 333 000 or direct to Police on 131 444. I thank you in advance for doing so.

.... AND FINALLY

Don't forget early dismissal at 2:05pm on Friday after an assembly at 1:40pm where LHK representatives for Semester 1 will be acknowledged, and new reps will be welcomed.

May your children all enjoy a safe holiday. We look forward to seeing everyone back safely on Tuesday July 22nd.

READING CORNER

Each Newsletter the Early Years Team will provide you with strategies to help support and encourage your child to read at home. These ideas have come from the website <http://www.readingrockets.org/>. This is a very useful site offering ideas to get children reading from a very young age.

Write it down

Have paper and pencils available for your child to use for writing. Working together, write a sentence or two about something special. Encourage her to use the letters and sounds she's learning about in school.

IN SCHOOL PSYCHOLOGY

In-School Psychology will soon be operating out of our school.

This privately run service is provided on-site at our school, during school hours, and is easily accessible to families.

It is a psychological service that offers timely access to counselling and support for our students with no cost to the parent, providing you seek the relevant Health Care Plan from your doctor.

As a school, we are committed to providing the very best opportunities for your children to experience success. This includes having timely access to support when they are experiencing difficulties in their lives.

If you are interested in accessing the service, contact the front office at school for the consent form.

PE NEWS

SAPSASA Knockout Boys Soccer

The third soccer match was against Woodcroft Primary. It was a tightly fought game with only 1 goal scored by Brayden. Congratulations to the boys as they are through to the next round. The next game is against Craighburn Primary on Tuesday 22nd July 1.30pm at Hallett Cove East PS oval again. We are lucky to have access to a marked Soccer field and a qualified umpire.

SAPSASA Volleyball

Volleyball is being practised and played in PE lessons. Trials for the SAPSASA Carnival Yr 6/7 teams will happen on Thursday 3rd July and trials for the Yr 4/5 students will happen Thursday 24th July (week 1 next term). If anyone is available to help train the teams on a Thursday lunchtime please let me know. The carnival is on Wednesday in Week 5 Term 3.

Edublog

Don't forget to view my Edublog to keep up with what is happening in my PE/Science programme and SAPSASA events. Please visit the site throughout the year.

CONGRATULATIONS

Some good news for the (Yr 4) Under 10's Soccer. Both Ben and Nathan were selected for the Noarlunga District U12's State Development Squad, which meant that they played against boys almost 2 years older than them. The District Tournament was held over 3 days 7-9 June 2014, with teams from all over Adelaide and a prize to potentially play in Mildura, Victoria later in the year at Country level. Both boys acquitted themselves very well. They showed that playing at a higher level was well within their grasp and did not disappoint. 5 games over the 3 days saw them and the team finish a very credible runners up in their division, losing out to the North West Team that have played together for the past 12 months, who finished top of the division. Credit to both boys for presenting both the Noarlunga District and also Hallett Cove East Primary School, as you have to play school soccer to be eligible to play for the District/State.

SPIKEZONE VOLLEYBALL

Hallett Cove East recently competed in the Spikezone volleyball competition at Hallett Cove R-12. 4 teams competed over Term 1 and 2 and the finals were played on the 20th June. All teams competed in the finals with the Hallett Cove East Hackers winning the Yr 6-7 competition and the Hallett Cove East Madness coming 4th. In the Yr 4/5 competition the Hallett Cove East Hackers came 2nd and the all girl East Beasts finished 3rd. All teams had a great season of volleyball with all teams learning a lot and showing great sportsmanship. Volleyball will again be run in term 3 and 4 if anyone is interested in getting a team together. Well done to everyone involved.

COMING SOON

CHOCOLATE DRIVE FUNDRAISER!

We will be holding a **Cadbury Chocolate Drive Fundraiser in August 2014** to raise valuable funds for the school. We have chosen this as a one off event to add variety to the usual events that are held over the school year. Each box will generate a profit of \$20; so as you can see it could soon add up if every family took one box each. The boxes will have a warning "that this item may contain traces of nuts." However we are not ordering any items specifically containing nuts. We will also send out a form to complete and return if you do not wish to receive a box. If we do not hear from you a box will be ordered and sent home with your youngest child on Thursday 14th August. There will be instructions and a credit card slip attached to each box to return payment. Payment can also be made 24/7 on the school website, where it asks for invoice number put Choc Drive 2014. However if you wish to send in cash, as it is a significant amount we will require parents / caregivers to bring the money in directly to the front office. **All monies need to be paid by Friday 29th August.** All boxes will be sent home sealed!

Please take a box and help the school to raise much-needed funds.

We have 1 Entertainment book left. Cost \$65. There will be no more books available once this is gone.

Many thanks,

Sarah Hole

A BIT FROM BEK

Hi Parents, Caregivers, Family and Friends!

Well here we are again, at the end of another school term. Wow! That time just flew by. And sadly, this is my last 'bit from Bek' article.

I just would like to say a huge thank you to all staff, students and parents of this beautiful community for all the support, encouragements, smiles and laughs over the last 18 months. It has been my absolute pleasure to work with such a hard-working and incredible bunch of people. I have learnt so much from being part of this community and if you'll allow me to have a mushy and sentimental moment, Hallett Cove East will always have a special place in my heart. I am certainly going to miss my weekly HCEPS fix!

If you ever find yourself wondering what I'm up to, feel free to read about my latest news or thoughts on my blog <www.abitfrombek.com>

As I sign off, I'll take this opportunity to say a few final things: Be kind to each other and be present to each moment because that moment will only happen once.

And in true "Bit from Bek" style, I'm going to leave you with a quote for you to ponder: "Strength lies in differences, not in similarities" – Stephen Covey. Embrace each other's strengths and work together to create something amazing!

Take care! ☺

THANK YOU TO OUR VOLUNTEERS

We are very fortunate to have many volunteers in our school, of which we are very grateful.

I would like to extend a BIG THANK YOU to *Kylie Barnes-Sparks*, who regularly comes into the school office and sorts through our Lost Property items, which always seems to be overflowing with clothing and various other items.

Please remember to label all school clothing then we can guarantee to have them returned to you promptly.

RE-IMAGINING CHILDHOOD

Powerful Learning Environments

Many of you by now would have noticed many subtle transformations that our Early Years teachers are making to classrooms, or, inside learning environments. This year the staff has embarked upon this transformation based upon the inspiration of 2012-2013 Thinker-in-Residence, Carla Rinaldi.

Based upon her paper, “*Re-imagining Childhood*”, many schools have begun to change the way childhood is perceived- firstly from an early childhood perspective then a primary perspective. Indeed, schools in South Australia are beginning to use the inspiration of Carla Rinaldi to transform R-7 classrooms.

At HCEPS we believe that children are capable and competent learners, digital natives, and their social and cultural connections are diverse. This leads us to understand that in our classrooms there may be as many learning styles as there are students. In other words “one size doesn’t fit all”.

What we are doing fully complements the Mission, Values and Core Business of our school. By changing furniture, displays, and materials we are hoping to create warm environments which will engage all of our children; cause them to wonder, inquire, experiment and learn at every opportunity and in every space.

You, your grandparents and your great-grandparents were taught in the same traditionally organised classrooms of a desk or table space for every child. While this was excellent for control of over 60 students during the industrial revolution, current research and evidence demonstrates that our school environments need to be so much more than this.

In embracing the research and evidence, we support our students to make choices about the ways they learn and the tools they use to learn. We trust and support them to make the most of the available space to learn in and to make strong choices about who they work with.

Our school's mission ... *"to ensure that our students are able to successfully interact and achieve within and beyond their own community, now and in the future"*... is embedded within our classrooms as we work with students to become responsible, respectful and creative. Therefore we are intentional about creating learning environments with our classes that are welcoming, organised, beautiful, and reflect the natural environment.

We are just beginning on a learning journey with our children and we look forward to having you on board with us!

Hallett Cove East Primary School

2014 Winter Menu

The Canteen Menu aims to provide healthy and nutritious food and drinks consistent with the DECD 'Right Bite' Healthy Food & Drink Supply Policy for Schools and Preschools'.

Right Bite uses a colour code GREEN, AMBER and RED to classify food and drink according to their nutritional value.

GREEN end of the Right Bite Food Spectrum

Food and drinks that fall into, or close to this area of the spectrum are considered to be the most nutritious and healthiest choices.

AMBER section of the Food Spectrum

Food and drink in this section of the spectrum are nutritious and so are still good choices, but tend to have some added sugar, salt and/or fat.

RED end of the Food Spectrum

Food and drink that fall into this end of the spectrum are energy dense and nutrient poor and so school canteens no longer sell these items.

All items on the Menu fit into the GREEN and AMBER section of the Right Bite Food Spectrum

♥ = healthiest choice

The Canteen is open Monday to Friday 9.30am to 1.30pm

TO ORDER LUNCH FROM THE CANTEEN

1. Write your **Child's Name** and **Room Number** on a large paper lunch bag.
2. Using the Canteen Menu, **choose their lunch**.
3. Write the items you wish to order onto the bag.
4. Enclose the correct money if possible. For hygiene reasons please wrap the lunch money before placing it in the bag.
5. Place the lunch order in the **Class Lunch Crate** at the **start of the day**.
6. To request more lunch bags, write "**More Bags Please**" onto your lunch order bag. (80c for 20)
