Dear Parents/Caregivers,

PUPIL FREE DAY THIS FRIDAY AUGUST 14TH

70th ANNIVERSARY OF THE ATOMIC BOMBING OF HIROSHIMA

In Japanese this term classes are learning about the impact of the bombing of Hiroshima 70 years ago that occurred last Thursday, August 6th. Students are focussing on the subsequent peace programs that occurred in response to the bombing including the creation of Peace Park erected in Hiroshima. Students have been learning about the story of "Sadako and the 1000 paper cranes" and they along with teachers have been making paper cranes with the goal of completing 1000. The Japanese classrooms are currently decorated with the paper cranes, other artefacts and work around this theme. Please make sure you visit the Japanese classrooms during Open Day to view the work that has been done remembering this important event.

WAKAKIRRI

For the first time, HCEPS students will participate in the Wakakirri competition to be held at the Adelaide Entertainment Centre on Friday 21st August. This is a performing arts presentation based on dance and music. 42 students will be representing our school presenting a choreography they have developed to showcase the theme of "Learning to be yourself". Thank you to Evie Donoghue and key student leaders who have been training the team over several months. We wish them well in their performance.

OPEN DAY AND FUN RUN – THURSDAY SEPTEMBER 10th

Don't forget our Open Day and Fun Run coming up on Thursday 10th September (Week 8). An invitation is attached to this newsletter and will also be sent home with students during the week. We look forward to seeing as many of you here that day as possible.

VOLUNTEER AND RAN (REPORTING ABUSE AND NEGLECT) TRAINING

Thank you to those parents who have now completed (or booked into the session next week) the 2015-2017 Volunteer Training. Our final session will be held on Tuesday at 1:30pm. Once this training is finalised only Volunteers with a current DCSI child related criminal history check and completed 2015-2017 Volunteer Training will be able to work with students and this includes sports teams. If you have not undertaken this training please book into next week's session. I will be conducting one more training session in Week 4 next term. RAN training for Volunteers is also offered by other agencies including Marion

Council. Please contact them for further information if you are interested.

PROMPT PAYMENT FOR EXCURSIONS

Schools are certainly busy and exciting places and this term is no exception. We are most fortunate to have a number of sporting events, activities and excursions happening. We seek your co-operation to ensure that payments for the events are made promptly and certainly by the final date for payment. We don't like seeing children miss out, but there has been a significant increase in workload created because office staff have to chase up payments. From Term 4, there will be no payments accepted for events after the final date for payment.

JOEY'S JOURNAL

"You are the average of the five people you spend the most time with." – Jim Rohn

I recently read an article about how if you include yourself as one of the five people the quote is rather accurate. I believe that there is a lot of truth in the idea that the people we spend time with influence who we become.

It is crazy how quickly bad habits rub off on us, without us even realising that it is happening. We run late when we spend time with people who are always late. As we witness others eating unhealthily, not exercising, or being unfocussed, we quickly follow in their footsteps.

When we spend time with negative people we tend to become more pessimistic. Conversely, when we spend time with positive people we develop a positive frame of mind.

I've learnt that if there is a good habit that I want to develop I need to find a role model that I can spend time with to encourage the behaviour. Then they can help to bring out the best in me.

Point to ponder: Do the people that you spend the most time with bring out the best in you? Or, is there someone who does bring out the best in you, who you should be spending more time with?

YOU ARE INVITED TO THE HCEPS FAMILY OPEN DAY AND FUN RUN

DATE: Thursday 10th September 2015
TIME: 11:30am – 3:05pm
There will also be a performance presented by 6W at
10:30am in the Pavilion

WHAT IS THE DAY ALL ABOUT?

On Thursday 10th September we are holding a Family Open Day and this will be held in conjunction with our Fun Run fundraiser. Parents are invited to come along for these events, to watch and cheer on students during the Fun Run, have a family barbecue picnic then spend the afternoon visiting all classrooms to see the work we are doing right across the school. (It should also be noted that our program actually commences at 10:30am with a performance by 6W in the Pavilion.)

At 11:30am classes will commence the Fun Run with their Buddy classes. Class/Buddy home stations will be positioned around the course. A siren will sound to start the Fun Run. Parents are invited to sit on the oval or on the courts to watch and cheer children on. (A coffee van will be available for drinks, the canteen will be open and a barbecue will operate for purchases from 11:00am until 1:15pm.)

At 12:30pm the Fun Run will conclude and classes will meet on the Courts to close this part of the day and clarify lunch and Open Day arrangements.

Families can then enjoy lunch together on the oval, picnic style, before classes meet again at 1:30pm to begin the Open Day.

From 1:30pm students will be working on Problem Solving activities with a Numeracy focus, in home classrooms.

5W in Lesson 6 followed by 9E in Lesson 7 will be doing Japanese with Wallis Sensei in House 2, focussing on work related to the 70th Anniversary of the bombing of Hiroshima.

6AN in Lesson 6 followed by 9S in Lesson 7 will be doing Music with Ms Donoghue in House 3.

Parents and Caregivers are encouraged to visit all teaching spaces across the school to see the great work children are doing.

In order to help us to organise an excellent day for everyone, could you please indicate when you will be attending during the day on the following form, then return the form to your child's class teacher.

We look forward to seeing you at the Family Open Day and Fun Run. ☺
