

YEAR 7 TO HIGH SCHOOL

Parent Update

Week 8, Term 2 - 2020

Connecting with your local high school

We hope your child is enjoying being back at school for term 2. The lead up to the term was challenging for students, families and schools as together we responded to COVID-19.

We know some things had to be done differently, such as high school open days which were cancelled, postponed or moved online.

If you're interested in learning about your child's high school now, speak with your high school about how to best connect. If you're unsure of which high school zone you live in, use the '[Find a school](#)' tool on the department's website.

Getting ready for the move

Primary and high schools are working hard to plan for the move of year 7 to high school in 2022.

If your child is in year 5 or 6 this year, they'll be graduating from primary school next year. Primary schools are thinking now about how to make your child's last year in primary school a positive experience.

High school planning is also in full swing to welcome year 7s and year 8s together in 2022.

Primary and high schools are working together at every level to make the move a success for your child.

Stay engaged with your school to keep updated with the latest information.
